

## Consider a Career with CDTA

CDTA is looking for qualified candidates to assist us in providing quality transit services to the Capital Region! We invest in our employees to better job satisfaction and increase performance. We support our team through communication, teamwork and appreciation for the wide range of abilities and contributions our employees bring to the table. Our mission is to provide safe, reliable and cost effective transit service with a skilled team of professionals that are responsive to customers, the environment, and committed to transit excellence.

## About CDTA

The Capital District Transportation Authority (CDTA) was created in 1970 by the New York State Legislature as a public benefit corporation to provide regional transportation services by rail, bus, water and air. CDTA is the premier mobility provider in the Capital Region, providing local, express, commuter and bus rapid transit services.

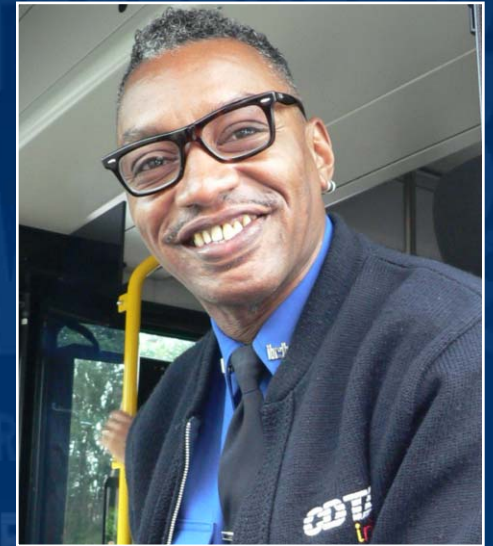

CDTA operates the Northway Xpress (NX) Commuter service between Saratoga County and Albany, and coordinates Medicaid transportation services through its ACCESS Transit subsidiary. CDTA owns and operates the Rensselaer Rail and Saratoga Springs Train Stations. Today, nearly 650 people work to deliver a transit system that transports nearly 60,000 customers each weekday.

## CDTA IS AN EQUAL OPPORTUNITY EMPLOYER

It is the policy of the Capital District Transportation Authority that no employee or applicant for employment will be discriminated against because of race, color, creed, religion, sex, marital status, national origin, sexual orientation, ancestry, age, unfavorable military discharge or disability, provided that the individual with the disability is able to perform the essential functions of the job which he/she desires to hold with reasonable accommodation by the authority.

# A DRIVING FORCE

## FOR A GROWING CAPITAL REGION

The Capital District Transportation Authority (CDTA) is an employer of choice in New York's Capital Region, offering a great place to work, quality benefits and career advancement opportunities. We believe that teamwork is key to our success while employees are the heart and soul of our operation. The demand for CDTA services has increased dramatically so we are hiring dedicated workers with a strong work ethic to join our team!
