WHAT IS THE HALF FARE PROGRAM?

The Capital District Transportation Authority offers Half Fare rates to citizens age 65 and older, honorably discharged veterans and disabled customers to access transit services. All customers who qualify for Half Fare, will need to obtain a Navigator Half Fare photo ID card to ride on CDTA services.

WHAT IS THE HALF FARE NAVIGATOR CARD?

Navigator is CDTA’s reloadable smart card and photo ID for those who qualify for half fare. This card verifies that customers are entitled to pay half fare and can only be used by the person it was issued to. Card expiration dates are printed on the back of the card.

CDTA Navigator Half Fare Photo ID cards are issued at select locations throughout Albany, Montgomery, Rensselaer, Saratoga, and Schenectady Counties. The addresses and telephone numbers for these locations are listed on the back of this brochure.

Half Fare Navigator Photo ID cards are automatically registered, and the balance is protected if your card is lost or stolen. Make sure to report it lost as soon as possible whether online, over the phone or in person.

Please note: Customers using Navigator smart cards will need to pay a one-time \$2 fee for all new, lost, or stolen cards.

WHO CAN OBTAIN A HALF FARE NAVIGATOR CARD?

Customers 65 years or older may obtain a Half Fare Navigator photo ID from one of our issuing sites. Just bring a valid photo ID with proof of age (i.e., driver license, birth certificate, etc.)

Customers with a verified disability have options to validate their half fare status by using any of the certification options listed on the next column.

Medical determination forms can be found on our website at www.cdfa.org under Half Fare.

HOW DO I PAY HALF FARE ON THE BUS?

Customers with a valid Navigator photo ID card pay half of the regular fare any time they use CDTA services. You can pay with cash or use your Navigator Photo ID card.

PAYING WITH NAVIGATOR:

Pay As You Go - like having cash on your card. When you ride, you will pay \$.65 for the first three rides, while the fourth and up are free for the rest of the day. You will never pay more than \$1.95 per day!

Frequent Rider – this unlimited pass is valid for 31 consecutive days from the first use and costs \$32.50.

You can add value to your Navigator card:

- In person at nearly 50 retail locations
- Over the phone at (518) 482-8822
- Online at CDTA.ORG

When you get on the bus, place your Navigator photo ID card on the card reader located on top of the farebox. Your fare will be deducted automatically. Present the Navigator card to the driver for photo verification if requested.

PAYING WITH CASH

- Regular Route Service: \$0.75
- Flex On Demand: \$0.75
- BusPlus: \$1.00

When you get on the bus, show your Navigator photo ID card to the bus operator, and using exact change, put half the regular fare into the farebox.
