Riding With CDTA

CDTA has installed more than 200 new bus stops across the service network to enhance safety and improve operations. Plan on arriving at your stop at least five to 10 minutes before your scheduled departure when possible. Make sure you know the route number and schedule of the bus you will be taking. Plus, make sure that you are on the correct side of the street and stand up as the bus approaches to signal to the operator that you are ready to board.
