BEST-IN-CLASS SERVICE

CDA's BusPlus (BRT) network connects the busiest travel corridors in the Capital Region with limited stop service and enhanced customer amenities including new stations featuring safety and security components. The Red Line and new Blue Line will soon be joined by the Purple Line to complete a system will contain over 40 miles of BusPlus (BRT) service - transporting over 60% of the Capital Region's transit trips.

BENEFITS

It's Fast » Fewer stops and traffic signal priority glide BusPlus through intersections for quicker commutes and easier connections.

More Frequent Arrivals » Buses arrive every 15 – 30 minutes throughout the day and evening. Additional service during peak periods of the day speed up arrivals to every 10 minutes.

Real-Time Information » BusPlus real-time arrival information is available on CDTA's Navigator mobile application or online at CDTA.org.

Larger Stations » BusPlus stations are larger, more secure, and offer shelter from the elements. Customers also benefit from Park-N-Ride lots and complimentary on board Wi-Fi.

ADA Accessible and Bike Friendly » BusPlus vehicles are low-floor, no-step buses for easy and quick boarding with bike racks on the front of each vehicle for easy storage and added mobility.

Environmental Impact » BusPlus' impact on reducing congestion in the Capital Region makes it one of the community's most important green initiatives. BusPlus buses also use hybrid technology to further reduce their direct carbon footprint.

Saves You Money » Using your *Navigator* card to ride BusPlus can save customers 25% or more. Even better, you can transfer to any other CDTA bus for no additional charge when using a Frequent Rider pass.

THE RIGHT CHOICE

BusPlus is upstate New York's first Bus Rapid Transit service. BRT is regarded as premium fixed route transit service and has boosted CDTA ridership on the region's busiest travel corridor. By limiting the number of stops, BusPlus BRT service connects people faster than ever before. It supports economic activity for businesses and relieves traffic congestion by taking cars off the road.

BusPlus is CDTA's answer to the challenge of capturing efficiency, environmental benefits, and supporting growth in the Capital Region. It addresses the two problems that prevent most communities from pursuing innovative technologies: prohibitive cost and long project timeframes that can take decades.

BusPlus combines the cost-efficiency, flexibility, and rapid implementation of transit service. Its benefits are being captured now and expansion can take place with modest investment.

What does it cost to ride BusPlus?

The BusPlus fare is \$2 for cash customers. CDTA riders who use *Navigato*r smart card or mobile app fare products pay \$1.30 per ride.
