# READY. SWIPE.

# GO!

## Questions and Answers about the Rolling *Swiper*

### What is the Rolling *Swiper*?

CDTA's Rolling *Swiper* improves on our 5 and 7-day monthly passes. It provides the same great service while adding features that make it an even better value. You decide when to buy your Rolling *Swiper*...and what day to start using it. Then, once you swipe, you'll have a full month of rides. It's that easy.

### What if I only ride on weekdays?

### What if I need a weekend ride?

You can choose either a 5 or 7-day Rolling *Swiper* to fit your schedule. Both options cover unlimited rides on any CDTA bus. (Except the Northway Xpress and STAR services.)

### What does it cost?

The same as our monthly calendar passes.

**Weekday Rolling *Swiper*** (unlimited rides, 5 days a week for the month): **\$55.00**

**7 Day Rolling *Swiper*** (unlimited rides, 7 days a week for the month): **\$65.00**

### How do I use the Rolling *Swiper*?

As of January 1, 2013, the CDTA Rolling *Swiper* will be the **only monthly ride option available** to purchase and ride any regular route CDTA bus – anywhere at any time – for one flat price.

### Where can I purchase a Rolling *Swiper*?

The Rolling *Swiper* is available at the same outlets you use now. Locations include: CDTA.org, the CDTA Sales Center at 85 Watervliet Avenue in Albany, and area CDTA sales outlets.

### About CDTA

The Rolling *Swiper* is a fare program offered by the Capital District Transportation Authority, a growing and vibrant multi-modal transportation provider serving the Capital District since 1970.
